

K-LOVE radio serves an important role in our family as it is radio programming that is safe for my 4 children (5 yrs. to 11 yrs.). If K-LOVE were replaced with LPFM braodcasting I would not be guarenteed quality broacasting like I receive from K-LOVE radio. I consider K-LOVE radio to be a faith based organization that promotes a Christ-like lifestyle. It is uplifting and encouraging to all who listen. Our community would suffer greatly by not having this type of SAFE broadcasting in our area. Thak you for your consideration in this VERY IMPORTANT situation.
